Trial By Magic (Dragon's Gift: The Protector Book 2)

Synopsis

My secret is out. You know that saying, to hell in a hand basket? That's where my life is headed. Three days ago, the Vampire Court learned about my forbidden FireSoul magic. It's basically a death sentence. Except they've made me a deal. I have to pass a series of trials, designed to test my magic and my loyalty. If I survive, I become an ally of the Court, which would be awesome. Problem is, the trials are as deadly as a hungry hellhound and I can't trust my partner, the sexy hybrid-vampire Ares. Worse, there's a new magic inside me that's eating me alive. It won't stop until I learn to control it, but that's a tall order given everything else that's on my plate. Between the trials and a recent theft at my shop, Ancient Magic, I'm up to my ears in magical problems. Trial by Magic is a fast-paced fantasy mystery with a kick-butt heroine, a tough hero, and magic that will blow your socks off.

It is interesting to me that Vampires are portrayed as powerful individuals with something of a conscience. The "Twilight series, and the Samantha Moon series like your novels portray Vampires as having a conscience, and working for the greater good. No two authors agree very well on the Vampire physiology, but for them to have honor etc. is I think a good thing.

Nix finally passes all the Vampire Court tests even though it looked like 2 of the court were working to have her fail. The fates are the last test and they confirmed it. Can't wait for the next one!

I was anxiously awaiting Nix's next book and was not disappointed! It was as good as expected and couldn't put it down just like the rest of this continuing series! Can't wait for the next one!

Nix is now growing in her powers, refining those she had and developing those she acquired. Her new friend becomes more, and becomes an asset to the triumvirate. Next please.

I am looking forward to the next book with Nix comes out. Nix has to end up with the vampire after what Cass and Del have for boyfriend's. Looking forward to how they all end up.

Nix sure has a lot to do. As she learns to control her magic, she is becoming more of what the prophecy foretold. Can't wait for the next step she takes.

I love how each sister finds 'dragons' to help and support them. I also love how all their boyfriends have a high position with each of the magic councils.

Nix & the gang have certainly gotten themselves into the thick of things. A motley crew of supernatural power. Kick ass.
