# GRACE AND GLORY: Sermons Preached In Chapel At Princeton Seminary

## Synopsis

John Murray said of him, "Dr. Vos is, in my judgment, the most penetrating exegete it has been my privilege to know, and I believe, the most incisive exegete that has appeared in the English-speaking world in this century." The uniqueness of Vos's emphasis on the centrality of the covenantal work of Jesus Christ in history and our possession of that work through His mediation draws us back time and again to his powerful and passionate sermons. Translated to the realm of glory itself through the proclamation of the accomplished work of our covenant Lord, and by the gift of His Spirit, we partake of unparalleled communion with God and possess Him as our highest treasure presently in Christ as our covenant God. Short of the consummation we have made His glory and joy in His people our chief end in this pilgrim life.

## Book Information

Paperback: 164 pages

Publisher: Solid Ground Christian Books (August 31, 2007)

## Customer Reviews

This book is very insightful. It left me with a taste of grace and glory and a deeper hunger of God and his righteousness. I highly recommended.

I know of no finer collection of sermons. They reflect the living saving power of the word of God.

This is a challenge to reexamine the richness of God's awesome grace, and find a fuller experience in Christ, a must read for unhappy Christians, or those searching for a deeper life with God.

grateful to get the book.

This is Vos at his best--and very inexpensive. Everyone should read Vos. What else needs to be said? Buy it; read it; enjoy it.

Good content. It reads like a scholar wrote it, which he did, so it can be slow reading. Well worth it

All I'll say is that this book helps believers look heavenward. Glory to God!

My son was excited to get this book as it had been on his wishlist throughout seminary. Arrived on time and in great condition as described.
