When Dead In Greece (Jack Noble #5)

Synopsis

"A ghost on the Greek island of Crete. Jack Noble is grounded, recovering from his injuries and a near-death experience. The small town isn't so bad. An old guy named Esau has provided him with a place to stay. The food's good. And Isadora, Esau's niece, is easy on the eyes. But tranquility is interrupted when a group of local criminals threatens Esau, and kidnaps his niece. Despite his weakened state, Jack risks it all to save the beautiful woman he hardly knows, and settle the debt that Esau signed in blood. Fans of Tom Clancy, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, and Robert Ludlum's Jason Bourne will enjoy this fast-paced international thriller! Customer Reviews

I find the Jack Noble series to be every bit as exiting as say the Reacher or Rapp series books. These books are a quick read and full of action. But I won't spoil the plot. I truly dislike that. I will say he has a great sidekick character "Bear" and I really like that character as well. Also these titles are a bargain. I am already moving into numbers 6-9 now that I have buzzed through the first 5.

Jack Noble is lying low in Greece with a Russian friend. He can't help himself, but he's gotten himself into another mess. His moral compass only spins in one direction. This is a high energy action packed thriller from the first to last page! I highly recommend!

Even while recovering and supposed to be hiding, Jack feels he needs to rescue a kidnapped woman. Jack is dead according to the world, but still manages to get into trouble. This is a fast-paced, action-filled, suspense thriller with surprises in store for you. I hope you enjoy this book as much as I did. Happy reading!

I decided to continue my NOBLE trek one step further, even after my deep disappointment of Noble 4, mainly because of the short length of the novel and the lack of mental investment I would have to make to just "go find out if it could get worse". Surprisingly, I was very pleased at the plot and the fluidity at which the storyline moved, and more importantly, the limited amount of characters and situations the reader could maintain his or her focus on without such a muddle of stories intermingled in increasingly unbelievable situations. I believe the key to success in this series is more of a short story than a drawn out extravagant SpecOps shoot'em'up gallery. I think I'll stop on a good note. Next one is a doozy.

I have read all of the Jack Noble books, or so I thought. Searching for more books or information on new releases, I discovered this one. I call it the in between book because it was a story told in between two seasons. Jack's time in Greece had to be more than a dull recovery. This story was a fast paced adventure no one would have thought of after reading the other books. Can't wait for more!

I ordered this book on December 31, 2014 but lost track of it. Found it again on the evening of July 9, 2016, after reading all but two of Ryan's Jack Noble books. It was quite a satisfying story. You will love it, too.

I have read the entire Jack Noble series, and loved every one of them. In every book, the plot is well developed--realistic and gripping. Blake is an exceptional writer; absolutely top notch. I highly recommend all of these books. Mr. Blake: please keep writing (and speed it up!).

I Love Jack Noble and LT (Lee) Ryan! Another Excellent Addition to the Ever-Increasing NobleVerse! Even though this book is self-contained - I suggest what Lee suggests: Reading the Jack Noble Books in the Author's Timeline List: <http://ltryan.com/noble-intentions/>
