Hiking Alaska: A Guide To Alaska's Greatest Hiking Adventures (Regional Hiking Series)

Synopsis

Fully updated and revised, this guide is the perfect introduction to hiking the great state of Alaska, with millions of acres of wilderness waiting to be explored. It features one hundred hikes in Alaska's national parks, wildlife refuges, national forests, wilderness areas, and state parks. Also included are hikes for all ages and abilities as well as maps for each hike and full-color color photos.

Customer Reviews

Alaska-based editor, photographer, and writer Mollie Foster is passionate about storytelling, specializing in outdoor lifestyle and adventure. She loves to spend her time exploring by human power—hiking, biking, skiing, and packrafting. Mollie has been a contributing editor to Alaska Magazine, directed and guided week-long educational programs and teaches field-based photography courses in Denali. Mollie moved to Alaska, fell in love with the Alaskan lifestyle, and now she can't imagine living anywhere else. She splits her time between Anchorage and Denali.

This is one of the worst illustrated hiking books I ever saw. The hikes and descriptions are actually good, but the illustration frustrating, confusing and annoying. Without continuous internet search it is impossible to know where the trails are located. It is a pity for the good work of the author not having it published with a professional publisher (like "Rother Walking Guide"). The format of the

book is also way too big to bring it along on a hike. The publisher definitely is somebody who does not hike at all.

Pro: The things I like about this book is that it gives some detailed information about hikes such as elevation gain, length of trail, difficulty, etc., which is great. Con: The thing I didn't like is that there are a ton of trails near where I live and this book only gives a handful of some of the more "major" hikes that are the most well known. Unfortunately, while the book is a good supplement, I can get more comprehensive information/location from the Alaska dot org website. I would recommend the book if you are visiting Alaska and only have time for a few hikes - otherwise you can find more hikes/trail information on the AK website.

Best, comprehensive hiking guide I've seen yet!
