# Experiencing The Spirit: Developing A Living Relationship With The Holy Spirit

## Synopsis

The Christian life is not a set of rituals or teachings, but a relationship with God through His Holy Spirit. No matter how much you know about the Bible, no matter how strong your self-discipline, no matter how hard you try to serve and please God, if your relationship with the Holy Spirit is weak, the Christian life will not work for you. In *Experiencing the Spirit*, Heidler shows how God wants to unleash His power in your life, to bring you into dynamic, life-giving relationship with the Spirit of God. We were given the Holy Spirit to make the Christian life experiential, to make Jesus real in our lives. So stop struggling to survive from week to week and start living every minute in the power He has given you.

## Book Information

## Customer Reviews

ROBERT HEIDLER, ThM, is senior pastor of the Glory of Zion Outreach Center in Denton, Texas. A graduate of Dallas Theological Seminary, Heidler has ministered extensively in Russia and Eastern Europe. He serves on the boards of Shekinah Messianic Ministries and Pray for the Peace of Jerusalem. He and his wife, Linda, have three children.

God used this book to change my life! I grew up as a pastor's kid in a Christian home and was saved at an early age. But it was after hitting rock bottom when I was 25 that I cried out to God to show me something real...that the Christianity I'd known my whole life was powerless and garbage. It was at this moment that God changed my life. I quickly was guided to the book by some friends and Pastor Robert does an incredible job explaining the Holy Spirit and His role in our lives and our

role with His gifts. Incredible book. Simply incredible!

It is a long way from Theology to Application, and I've read many books that are heavy on Theology while skipping the application side, as well as several books that are great on application but provide little or no Theology behind the practice. This book marries the two concepts of Theology and Practice in a way I've rarely seen a book do, and with good reason: the author was forced to explore a Theology in light of experiential evidence. He was "filled with the spirit" and "spoke in tongues," both things he preached against, believed against, fought against, condemned as unbiblical--a true "Damascus Road" experience. With that said, this book, in attempting to balance Theology and at the same time be a layperson's book (originally written to help his congregation during their transition to a charismatic church), it tends to skip out on many of its scripture citations on some of the more controversial stuff, like Tongues or Healings. All-in-all, it is a must read for the curious-but-cautious, the open-but-skeptic, or for the person trying to round out their understanding of the spiritual gifts--it gives enough information to drive a person to dig deeper without leaving a person feeling like they heard someone preach a comprehensive Theology that burdens the mind with too much information. On my top 5 charismatic-themed books, for sure. ~Ryan

This is an easy, can't stop reading book that convicts you to apply the Word of God to your life.

This book was transforming and full of wisdom and hope! I'm going to read it again! I don't want to miss a thing!!

Very helpful and easy to read, but rich in content and applicability.

A must read for Christians seeking MORE of God; those who want a deeper relationship with Him by encountering His Presence. I give this book to those who want to know the secret of the joy and love of Jesus radiating forth from His true servants and friends.

A foundational book LOADED with scripture and clear explanations of the power of the Holy Spirit of God. The New Testament Church is clearly explained and a vital message of the ministry of the Spirit runs throughout the book. The Bible and this book will be a life long reference of foundational truths for a relationship with Jesus Christ, God and the Holy Spirit!

I learned so much. So grateful for new learning. Glad to learn more about the Holy Spirit. Thank you Robert Heidler.
