A Season Of Hope (Annie On The Prairie Book 4)

Synopsis

Annie on the Prairie is a heartwarming new Christian series by author Poppy Gunn. The daughter of Swedish immigrants, fifteen-year-old Annie Larsson must adjust to life on the prairie, the family living in a one-room log cabin. Tea is Annie's younger sister, while Johannes is only ten, and quite precocious. Despite the hardships, the Larsson children have thrived, settling into life on the Kansas prairie. In "A Season of Hope", Annie is determined to marry Garrett, and Tea wishes to marry Sheriff Douglas, but her parents feel she must wait until summer. After Johannes ventures onto a frozen pond, nearly drowning, the family realizes just how fortunate they are. The Lord is never far from their side, always protecting and guiding. The family celebrates the joining of Annie and Garrett, inviting the entire town to the place and the people they now call home.
