Create Your Life Book: Mixed-Media Art Projects For Expanding Creativity And Encouraging Personal Growth

Synopsis

Celebrate and honor your creative potential with *Create Your Life Book*! Based on much-loved mixed-media artist Tamara Laporte's popular, multi-year series of online classes, *Create Your Life Book* offers mixed-media drawing and painting projects that can raise your awareness of and help you work through personal challenges and other obstacles to creating art and achieving self-fulfillment. Each themed chapter presents 4 or 5 two-part projects: The first part of each project explores a common issue that hampers creativity and/or positive self-worth, and includes a worksheet or list of questions to be answered; the second part is a step-by-step mixed-media art project that provides a way for artists at all skill levels to contemplate and work through that issue. Also included are projects contributed by some of Tamara's Life Book guest teachers--Roxanne Coble, Andrea Gomoll, Alena Hennessy, Mystele Kirkeeng, Ivy Newport, and Effy Wild--who are noted mixed-media artists in their own right. Along the way, Tamara shares inspirational photos and uplifting and encouraging affirmations. The final chapter presents a simple binding method for creating a keepsake book of your Life Book projects.

Tamara Laporte is a celebrated mixed-media artist and art teacher who has been running her own creative business, willowing.org, since late 2008. Since then she has become a creative catalyst for thousands of artists.
