Sugar Skulls - Day Of The Dead: A Stress Management Coloring Book For Adults

Synopsis

"FANTASTIC! I own several Sugar Skull coloring books and this one is the best, ever!" - Nadine Alldridge 60 Different Detailed Sugar Skulls! Celebrate the festive Day of the Dead (Dia De Los Muertos) with this unique sugar skull coloring book for adults and children alike. Filled with 60 hand-curated images of decorated skulls selected from artists all over the world these full-page skulls (and a few large repeating skull patterns) will delight anyone that is fascinated by this traditional Mexican holiday. And, each image is printed on its own page to reduce bleed-through.

A fantastic collection of sugar skulls in a variety of styles
60 Coloring Pages
Glue bound at the side
Medium weight paper
Dimensions 8-1/2 X 11
Illustrations are single sided
Non perforated
Recommended for beginner to advanced colorists

Fun single sided sugar skull coloring book! I love the variety it has. The sugar skulls are each unique. Some are more detailed than others but I LOVE that most illustrations take up the entire page! Paper is smooth and great quality!UPDATE: I'm not going to take away stars. I still love the book & it has a wonderful, fun variety but as I've colored more in this book I wanted to update what I noticed...The paper is smooth, good quality but if you're into blending pencils as much as I am the black ink used to print the pages smudges into the color. I'm careful but some of the pics that are

small it smudges black into the image without using a blending pencil. The pages are one sided so it's been fun using my watercolors (I ALWAYS put white cardstock under the page for protection) I've not noticed smudges with the watercolors.

Coloring is something I love doing! When life gets stressful its nice to relax in a quiet environment & get lost in coloring. When adult coloring books came about I was so excited. Because I would find myself getting children's coloring books & only finding 2-3 pictures in each that I actually liked that were not super kiddish. I own several adult coloring books & I have to say I really am enjoying this one the most right now. Skulls have been something I find very intriguing! When this Sugar Skulls-Day of the Dead arrived I was pleasantly surprised. Each skull is unique & the designs flow very nicely with each skull. I also like that even with the designs the skulls are still present. Meaning the designs are not overpowering! I also like that the pages are one sided, so I don't have to worry about markers or gel pens bleeding through to the picture behind it. The paper is much thicker than your standard paper which is really nice as well. The only thing I disliked about this coloring book is the pages are not perforated. So when taring out a page you have to be careful so you don't end up ripping into the picture. I use an X-Acto knife to cut the page out once I am done coloring! I have to buy some frames because I think these pictures will look great in my office. There visually nice to look at once colored. Overall I am very pleased with this coloring book & I definitely recommend it to anyone in the market looking to purchase an adult coloring book & loves skulls.

I bought a slew of coloring books. 4 of them were AWFUL and I returned them. In comparison these were decent, considering these are just shutterstock photos. Literally. It says on the book that they are shutterstock.

Love the pictures and love to color it is relaxing fun tganks

Great Product. I will recommend this to all my friends.

Pages are not perforated for tearing out easily. Otherwise, good quality paper.

I love this book. It's worth buying!
