Denver's Park Hill Neighborhood (Images Of America)

Synopsis

The stately yet welcoming Park Hill neighborhood, located just east of downtown Denver, was platted from prairie lands in 1871 by energetic real estate speculators. A horse-drawn rail car began transportation service in later years to and from Denver as homes in Park Hill became popular. Eventually, Denverites invested in Park Hill lots and wealthy citizens built architecturally sophisticated homes, creating an enclave of Denver society. When automobiles became popular in the 1910s, Park Hill became a popular place to raise a family and has continued as an attractive residential area for more than a century. The home of Denver's elite for decades, including mayors and other leading politicians, Park Hill has embraced diversity in the 21st century, encompassing blue-collar workers along with the physicians, attorneys, and professional athletes.

Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing (July 12, 2010)

Language: English

ISBN-10: 0738580449

Best Sellers Rank: #249,719 in Books (See Top 100 in Books) #9 in [Books > Travel > United States > Colorado > Denver](#) #211 in [Books > Travel > Pictorial](#) #280 in [Books > Arts & Photography > Photography & Video > History](#)

Customer Reviews

Author Rebecca Dorward wrote the nomination for the original Park Hill historic district to the National Register of Historic Places. Contributing photographic research to this volume were historians Thomas Noel and Heather Peterson as well as the Greater Park Hill Neighborhood Association. These evocative vintage images were drawn from the Denver Public Library's Western History Department, the Colorado Historical Society, the author's collection, and other sources.

Great informative book with fantastic historic pictures!
