Customer Reviews

We have a ton of books in this series. They are all great, I learn a lot from them as well!

Great book! Love this Series of kids books!

My boys, ages 7 and 10 , love these books. There is a ton of information in the books about true events. They can be a bit detailed with the fighting and killing so if you are not ready to expose your kids to this than wait on these books.

Hard to tell before seeing it that it requires a 3rd to 4th grade level reader.

These books make for interesting reading for everyone.

good.
