In The Beginning Was A Word: How Language Knits Reality Together

Synopsis

In the Beginning Was a Word opens the reader to the ideas of how we as humanity understand sacred scripture, and how this understanding can enable humanity to build a World Commonwealth. To add to our comprehension is the Bahai Faith, helping to bring about such a World Commonwealth where all of humanity will live in peace. In chapters 19, author John Hatcher discusses how language is used by the Manifestations (or Prophets) of God, and helps humankind to become more spiritual. There is an exploration of the major differences between literal and symbolic interpretations of scripture, and what is meant by the phrase Word of God and how this Word can transform society. Chapters 1012 delve into topics such as the difference between direct and indirect language in sacred scriptures, how words from the Dispensation of one Manifestation lead to the Covenant of that one Manifestation and then prophesy the coming of the subsequent Manifestation, as well as the history of the central figures of the Bahai Faith.

In *The Beginning Was A Word* by John S Hatcher, viewing reality, physical and metaphysical as one integrated whole and how they inter-relate and seeing and understanding human history unfold through the lens of a divinely inspired panoply of intelligent design is impressive and inspiring. John has done a great service to those of us who want to make sense of human history as a series of inspirations and interventions by an All-Loving Providence to propel mankind to its ultimate destiny. *The Beginning Was A Word* is the establishment of a spiritual civilization that will nurture and promote the individual, the community and the establishment of institutions to facilitate and

maintain that process. He has reminded us very powerfully that we are truly spiritual beings having a human experience and are involved in a great workshop on this planet to fulfill the ultimate goals in life: know and love our Creator, acquire divine attributes and carry forward an ever-advancing civilization. Dr. Hatcher has masterfully woven a tapestry for us to appreciate this ongoing unfolding of the divine plan in our lives. He has answered many questions for us to make sense of the purpose of our lives individually and collectively and empowered us with tools to effect the transformation necessary to contribute to the realization of the long held vision of creating a divine civilization through systematic exposure to the Word of God.
