Horrible Harry Moves Up To The Third Grade

Synopsis

Third grade brings lots of surprises, but one thing hasn't changed a bit--Harry and Sidney are still sworn enemies. And their relationship only gets worse when Sidney accidentally kills Harry's pet spider. But Harry comes up with a horribly funny way to get revenge during a class trip to a creepy copper mine.

Grade Level: 2 - 4

Customer Reviews

Grade 2-3-Not much has changed since second grade: Harry is gross and horrible, and he's still Sidney's sworn enemy. When Sidney is frightened by Harry's pet spider and kills it, war breaks out between the two boys, with their friend Doug caught in the middle. Doug, however, has other problems, most notably the proposed field trip to the Old New-Gate Prison and Copper Mine. His fear of the mine threatens to prevent him from going on the excursion, but Harry is there to help. The themes of fears and friendship are nicely blended as this beginning chapter book moves quickly to its exciting conclusion. The inclusion of an eerie ghost story, some of Harry's pranks, and realistic teasing between the children make this an enjoyable read. Linda Bindner, formerly at Athens Clarke County Library, GA Copyright 1998 Reed Business Information, Inc. --This text refers to the Library

Binding edition.

Gr. 2[^]-3, younger for reading aloud. Horrible Harry and his pals at South School return for another adventure in this chapter book. Harry is now in third grade, as are his best friend, Doug, who narrates the story, and his archenemy, Sidney. When their teacher arranges a field trip to an underground mine, Doug admits to Harry that he is afraid. Meanwhile, Sidney kills Harry's pet spider. During the field trip, Harry calms Doug's frayed nerves and manages to play a great practical joke on Sidney to get even. When Sidney disappears, however, Harry is just as worried as his classmates. The boys set a good example for young readers by making up when Sidney is found--Harry even hugs him. Harry's many fans will clamor for this enjoyable story. Lauren Peterson --This text refers to the Library Binding edition.

commotion makes me laugh

Great book for a 1st-2nd grader!

I chose this book for my incoming 3rd grade class, which includes below grade readers. I thought it would make the transition easier. I do like the Horrible Harry Series.

My 7yo son loved this book. He got three Horrible Harry books for Christmas and he read them all within two weeks.

My son read this book on March 21, and I was amazed that he read the book in one sitting. He truly enjoyed the book and thought it was funny, a little bit scary and cool!!!!He has already identified his next book.

Horrible Harry Moves up to the Third Grade is another great Horrible Harry book by Suzy Kline. I've read it aloud to my second graders as they prepare to move up to third grade and they giggled while hearing Harry's adventures. It's a fun read!

Bought as a gift and he really liked it. I would definitely recommend this product.

I read this book with my daughter. And I must say from the beginning we couldn't put the book

down.
