Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. We also publish books for fans of Minecraft and Pokemon GO, including books full of useful hacks, tips, and tricks, as well as Minecraft adventure stories for readers who love the fight of good vs. evil, featuring a magical academy similar to Hogwarts in the Harry Potter saga. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
