Synopsis

Finally Revealed.. The Amazing insider Secrets of Three-day unforgettable vacation to Nashville .Today only, get this bestseller for just \$9.99. Regularly priced at \$14.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Here Is A Preview Of What You'll Learn...Nashville Tennessee is known as the country music capital of the world and its music scene is the reason why millions of tourists flock there every year. And as far as musicians are concerned it is the epicenter of the outlying underground music scene they are inspired by men like Johnny Cash, Kris Kristofferson and Elvis Presley. Traditionally Nashville is known for its contributions to country music most notably, the grand old Opry, which as far as many country musicians are concerned is the pinnacle of stardom on the country music scene. However, country music is not the only contribution to the musical world that Nashville has made. It has a rich history of all varieties of music from jazz to blues and rock 'n roll (Elvis Presley being the king of course). And there are music clubs and restaurants that support each one of these genres every night of the week. So no matter what kind of rhythm, you are in the mood for, you will, be sure to find it somewhere in downtown Nashville. And after you've filled your ears with music, you can fill your belly with some of the most outstanding cuisine you can find anywhere. Everything from traditional Southern fare such as baby back ribs, slow roasted baked beans, jalapeno cornbread and Hush Puppies to more international fair such as Japanese and Indian there are even a myriad of vegetarian restaurants. After you have filled your belly you may feel the need to walk off some serious calories in that case. There are plenty of interesting and intriguing old buildings to look at from the grand old Opry itself to Beal, which is the heart of the historic Nashville music scene. It's filled with honky-tonks, pubs, and juke joints some of the oldest in the city, in effect (although admittedly the street has become rather commercialized and touristy and is rather crowded both day and night). If however bars and pubs do not strike your fancy theories, the agricultural Museum or the Nashville history Museum, which is operated by the Nashville historical Society, a nonprofit organization. This museum will allow you to witness national transformation from a rural agricultural and farming community to a musical epicenter, and it may even give you a greater appreciation for the music you hear on your visit. ÃƒÂ¢Ã ¬Ã Ã“Miss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary to Nashville (Nashville Travel Guide)ÃƒÂ¢Ã ¬Ã Ã• is Ms Sharon BellÃƒÂ¢Ã ¬Ã â„¢s published guide for a three-day tour of Nashville in Tennessee, the United States of America. In this publication, Ms Bell takes her readers vicariously to Nashville, for a three-day holiday and tour. In this guide, Ms Bell helps readers to plan each day of the tour and successful attain the related objectives. She generously tells readers about NashvilleÃƒÂ¢Ã ¬Ã â„¢s history, music, landmarks, culture and cuisine. She advises them about places to visit while they are in Nashville. She also recommends numerous activities that visitors may undertake during there visit to

Nashville.

Nashville is well known for its roots in the country music scene but it has so much to offer visitors of all kinds. This book takes you through this history and culture that makes Nashville a unique travel destination. Of course, music and entertainment is a huge part of Nashville so there's lots to see from that perspective. The recommended accommodations aren't going to cost your mortgage for the month but offer comfort and options. Whether you're a novice or an expert, this book helps you find it all. Come for the fun, stay for the history, and let Miss Passport help guide the way!

A google search will get you more than this pamphlet... Totally not worth the purchase. Ok info, just not very much of it.

This so-called mini 3 day guide is just a collection of facts taken from other publications with no effort to connect them into a recommended itinerary. Even the lowish price could not justify how poor a tourist guide it is.

We needed some ideas of things to do in Nashville besides the music shows which were the reason for our visit. This little guide was all that I hoped for.

Nashville is a nice combination between country and city life, and this guide allows for the best of both in just three days. Great for anyone looking to explore Music City on a budget.

Great little guide! I probably could have gotten everything from the Internet if I wasn't lazy, but you can't complain for the price.

Too short to be of help - barely an introduction and certainly not a "guide," but rather, a general paper on the city.
