Lynn Cowell is an author and speaker with Proverbs 31 Ministries, whose passion is helping moms become wise women who raise wiser daughters. For the past 10 years, Lynn has taught women and teens to discover the radical love of Jesus and build an inner confidence that leads to smart choices. Her ministry and His Revolutionary Love book have helped hundreds of teen girls and their moms discover that only Jesus can fill the love gap in their hearts.

This is one of the best books written for teen girls.

Every young teenage lady should read.

My 16 year old daughter has actually devoured this book. She was telling me last night that she LOVED this book. I tell other mom's what an AWESOME resource that Lynn has. We are anxiously awaiting the arrival of the Devotion that goes along with this book. I recommend ALL moms buy this book for their daughters - well worth the money!!!!

My daughter and I read this book every morning during our family devotions. I really like the way it breaks down the issues that young girls face and points them to their Maker, Designer and Heavenly Father, instead of to the worldly way of looking at things.

I loved this book and have purchased several to give to the young ladies in my life. It is a fantastic devotional for tween and teen girls. Simple daily activities that apply His word into action. What a delight, Lynn!

Although written for younger women, even at 50 yo I appreciate this book. Why can't we more mature ladies have fun, contemporary devotionals written for us too? :-)

I bought this for both of my girls and my 21 year old doesn't want to stop reading it. Very informative and insightful. Proves once again that Oh, how he loves us!

Great Book!
