Giving Thanks: A Native American Good Morning Message

Synopsis

Known as the Thanksgiving Address, this Native American good morning message is based on the belief that the natural world is a precious and rare gift - from the moon and the stars to the tiniest blade of grass.

Best Sellers Rank: #114 in [Books > Audible Audiobooks > Children's Books > Science & Nature](#)

Customer Reviews

Timeless book. Read it every year around Earth Day to my students. Love the illustrations, too.

i bought this book for our family to read as my daughter began studying native american culture in 2nd grade. i especially liked it, as i am quite fond of the topic of gratitude and i have been fortunate to participate in a number of native american traditions and rituals over the years. so, this book provided me with an opportunity to do my favorite thing - tell my children stories about the time that i ... well, this book is beautifully illustrated and masterfully written for young children to better understand native american culture. the values of tradition, honor, respect, faith are consonant with all cultures and traditions and this makes a nice adjunct for anyone with other beliefs who wishes to better understand this tradition. as such, the one reviewer who gave this a "3" ought to be separated in the mind of the review-reviewer who sees a dozen "5" stars and a single "3". this is worthy of an A+ and it comes highly recommended!!!

I read this book to my granddaughter---beautiful book

I love this children's book, and I especially love the artwork. It's so beautiful, and delivers such a

beautiful message. Can't recommend this enough!

This little book is an awesome little way to give thanks at Thanksgiving or anytime for a little prayer.

Excellent book to demonstrate how First Peoples honored the Earth in their culture.

Youth-accessible text of original tribes' little-known daily ceremony of gratitude. With colorful graphics most appropriate for younger readers.

The drawings are beautiful and the 'thanks prayer' is beautiful and inspirational as well; a remarkable observance for all people to give thanks for all around us including the diversity of all "humans," the animals, the food, flowers, grass, the earth, the sun, the sky, the waters; would highly recommend
