## Customer Reviews

'A lovely way for children to learn about the countries of the world - and this is a brand new edition so bang up to date' - Parents in Touch; 'GOOD POINTS: An impressive and very educational interactive reference book for school-aged children. In our opinion, this is a truly fantastic (and reasonably priced) sticker-based reference book, that teaches young children about the most famous sights in the world in a fun, interesting and educational way. BAD POINTS: None that we can find!' - First4Dads
