Manual For Eucharistic Adoration

Synopsis

"I put before you the one great thing to love on earth: the Blessed Sacrament." —J.R.R. Tolkien
Eucharistic adoration according to Fr. Frederick Faber is "the queen of all devotions." Pope St. Pius X taught that it was the devotion "most profitable for our salvation." And St. Gemma Galgani treasured it as "the school of Paradise where one learns how to love." So many popes and saints exhort us to spend time with our Eucharistic Lord. And the Manual for Eucharistic Adoration will enrich your hours with Him. Part One, "Preparing for Eucharistic Adoration," answers these questions: What is Eucharistic adoration, and why is it so important? What does Scripture teach about this devotion? What are the fruit of Eucharistic adoration? How should I spend my time with Jesus in the Blessed Sacrament? Part Two, "Aids in Eucharistic Adoration," provides these essential resources: Teaching about the Eucharist from Scripture and Church documents Scripture verses for adoration, wisdom and inspiration from saints especially devoted to our Eucharistic Lord Prayers, Rosary meditations, reflections and hymns Mother Teresa once said: "The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth." Take this great saint's words to heart. Then take the Manual for Eucharistic Adoration when you go to meet Him, and keep it with you Spiritual Communions and other moments of spontaneous adoration throughout the day.
This beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and gold edges.

Paul Thigpen, Ph.D., is the editor of TAN Books and the best-selling author, co-author or compiler of forty-one titles. Among his most popular books are The Burden: A Warning of Things to Come and The Rapture Trap: A Catholic Response to End Times Fever. A convert to the Catholic faith, Paul has served the Church as an award-winning journalist, historian, apologist, catechist, and member of the National Advisory Council of the United States Conference of Catholic Bishops. His work has been circulated worldwide and translated into twelve languages.

Eucharistic Adoration is a beautiful practice that I have always struggled with. The few times I have placed myself in front of the Blessed Sacrament, my mind immediately begins to wander. I try and force myself to pray and just clear my mind, but the distractions unfortunately kept coming. I knew I

had to find a book to help with this if I ever was going to have any kind of success at adoration. Recently, TAN Books published the Manual for Eucharistic Adoration, and I knew that I had to give this book a try. The manual is divided into two parts - 1. Preparing for Eucharistic Adoration and 2. Aids in Eucharistic Adoration. It then provides a brief explanation on how to properly use this book. In a nutshell, it says that the first part helps you better understand the importance of this devotion, and the second part provides Scripture, prayer, and texts to help you grow in this devotion. I found Chapter 5: Guidelines for Adoration to be particularly helpful. In this chapter, it clears up the misconception that love, fervor, and devotion are required for adoration. Adoration is an act though, and not a sentiment or emotion. I also found the different meditations and devotions in the last chapter to be extremely helpful, as it helped to focus my thoughts and provided me with words I was lacking. The Manual for Eucharistic Adoration is a marvelous book that will prove beneficial to veterans and novices alike. It contains a nice blend of history and practical spirituality to help you grow closer to God. It is also beautiful in presentation with Premium UltraSoft leather, sewn binding, and a ribbon bookmark. Probably best of all is that it's small enough to fit into a pocket or purse, so that you can always have it handy if you feel the sudden desire to go to Eucharistic Adoration. I would pair this book with the Manual for Spiritual Warfare and consider getting these books for the recent high school graduate in your life, because college can be a perilous time, and they will need all the help they can get. You could also package them together as a wedding, ordination, or just a birthday gift. Any Catholic will find great treasure in both of these books.

So helpful to have a history of Eucharistic Devotion and help to prepare for adoration. Great summary of quotes from all eras of church history and prayers and devotions. Psalms have deeper meaning in Eucharistic adoration .

Love this little book. I refer to it during my adoration hour before the Blessed Sacrament.

This manual is exactly what I've needed. I've just recently started going to Adoration and have so many questions and this little book has many answers, plus prayers. Highly recommended for anyone who goes to Adoration.

Even though I am a cradle Catholic, I didn't really learn about Eucharistic Adoration until a couple of years ago. This book only helped answer more questions and explains things and gives someone who isn't familiar with Adoration a great beginning. I'm going this to our RCIA teacher and get word

out about this to my Church.

This book is very comprehensive covering the foreshadowing of the Eucharist in the Old Testament, and referencing it with Scripture passages. This is followed by the Eucharistic fulfillment in the New Testament. The book traces development of Eucharistic adoration throughout history. There is much to reflect upon. One such reflection is how Jesus changed water into wine at the Wedding Feast at Cana, and later changed wine into His blood at the Last Supper. This book contains many Eucharistic prayers and devotions, and writings on the Eucharist by saints and spiritual writers. It also covers the teachings of the Catholic Church on this subject.

Beautifully written, this small book from the Poor Clares of Perpetual Adoration, a cloistered order of nuns whose lives are dedicated to the adoration of Christ's Body, both explains the importance of our adoring and reverencing the Body of Christ on the altar, and also gives the reader a variety of prayers, litanies, and other spiritual tools for use during Adoration and Benediction. Highly recommended for all Catholics, and indeed everyone interested in properly honoring Jesus Christ's physical presence, body and mind, soul and divinity, in the Blessed Sacrament.

Excellent book we are using it every Wednesday at adoration.
