Customer Reviews

Stirring photography of beautifully gifted males. The title of the book not only refers to the content within, but also to the physical state of the horny boys who hungrily peruse this edition - myself included! Worth every penny of your HARD-earned cash! Good for downloading on your iPhone or tablet, on those lonely nights when you're by yourself. You'll be glad you CAME...again and again!

Full frontal views with plenty of rock HARD cocks. Nice collection of models with various penis

sizes. Highly recommend this erotic adult picture book to others looking for this type of material. A lot of sexual content for the money.
