Risk And Rewards (Adventures In Odyssey #24)

Synopsis

“Take a chance!” “Go for it!” “You never know unless you try!” Bet you’ve heard those expressions before—and how true they are! As sure as God has a plan for each of us, it’s tough sometimes to see just how everything will fit together. But when we take a step of faith and trust His leading, we may find that what looks risky often yields the greatest rewards. The Odyssey gang has had its share of challenges too, and they’ve made some life-changing discoveries. From a desperate flight for freedom to respecting authority to accepting God’s will, you won’t want to miss a single story! Volume 24 contains the following stories (and themes): Rewards in Full (Pure motives) A Touch of Healing, 1 & 2 (Accepting things beyond our control) Where Is Thy Sting? (A Christian’s response to death) Poetry in Slow Motion (Asking for help) Top This (Dangers of competitiveness) Underground Railroad, 1, 2, & 3 (God in history, the sanctity of life) BTV: Envy (The dangers of envy) Subject Yourself (Respecting authority) The Turning Point (God’s plan for individuals)

Focus on the Family began in 1977 in response to Dr. James Dobson’s increasing concern for the American family. From a two-room suite in Arcadia, California, Dr. Dobson began with radio-a 25-minute weekly program heard only on a few dozen stations. Focus on the Family has since become an international organization with more than 74 different ministries requiring nearly 1,300

employees. On the now-daily broadcast heard on over 6,000 facilities worldwide, Dr. Dobson still explores family issues, usually with one or more recognized experts as guests. Dr. Dobson's method attempts to "turn hearts toward home" by reasonable, biblical, and empirical insights so people will be able to discover the founder of homes and the creator of families: Jesus Christ.

My boys have been listening to Odyssey in the car for years. We can drive hours and they are engrossed plus they learn some great moral lessons.

Our family love listening to these stories especially when traveling but now and then we sit in the living room doing our various projects and put on a cd to enjoy rather than the TV. The stories always hold a valuable lesson but more importantly they are funny, interesting and very well done. We don't push our kids to listen, they ask for them all the time. I highly recommend Adventures in Odyssey.

I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

My son had this on cassette and was thrilled he received it on CD for Christmas.

We appreciate the quick/prompt delivery of this product as well as the price/value associated with it. These stories are timeless and wonderful for children & families. Thank you ;-)

We really enjoy all the Odyssey audios. It helps the kids use their imaginations. The teaching is great and helps kids to ask some pretty good questions. Thanks Odyssey

I love the story line and I'm always wondering what will happen next. It's the best audio series that is out today. I also love it because I can listen and not have to rely on vision since I'm totally blind.

Our kids always enjoy the Odyssey stories and my son listens to them in the tractor while he helps his dad.
