MKFM Law's Common Sense Guide To A "Successful Divorce"

Synopsis

Are you thinking about divorce? Have you already made the decision to move forward with divorce, but are uncertain of what steps to take next? Want to protect yourself during the divorce process? MKFM Law's Common Sense Guide to a "Successful Divorce" can guide you through the process and give you the knowledge and resources you need to easily transition to your new path in life. And, because we believe that divorce does not have to be as nor should it be an emotionally or financially devastating process, this book provides you with strategies that can help you take control of your life, and your divorce. In this book, our top divorce law firm covers some of the most pressing divorce topics and questions, including: The dangers of a do-it-yourself divorce How you can afford an attorney, regardless of your financial situation Taking the initial steps to divorce Protecting your privacy (and why it is important) Getting what you want in your divorce Allocation of parental responsibilities in Illinois (formerly known as custody) Child support and spousal maintenance And much more An easy-to-read guide, this book can prepare you for the road ahead and help you to transition into your new life feeling free, secure, confident, and happy. Take the first step and download MKFM Law's Common Sense Guide to a "Successful Divorce" today. This book is based on Illinois law, but the positive principles and ideas can be used by anyone going through a divorce. ***The information you obtain from this e-book is not intended to be legal advice. If you are outside of the state of Illinois, you should consult an attorney in your jurisdiction for advice regarding your individual situation.
