Customer Reviews

I bought this to see what updates had been made since the prior edition - not enough to be worth the upgrade, in my opinion. If you are using an older edition and are satisfied with it, stick with it.

We taught Realidades Levels 1, 2, 3 at my school. The students excelled and scored high on district tests. The book also lent itself for backwards planning and for project base learning. Thank you

Arrived on time for school, very happy.

Came exactly as described.

school changed prescribed book but content was good and helpful

as promised

Arrived quickly and as advertised.

book met requirements and shipping on time
