2017 Good Sam RV Travel & Savings Guide (Good Sams Rv Travel Guide & Campground Directory)

Synopsis

With over 12,500 locations listed across the United States and Canada, the new Good Sam RV Travel & Savings Guide is the only print edition of RV parks and campgrounds in North America. Ever popular with RVing and traveling consumers, the 2017 Good Sam RV Travel & Savings Guide edition features an exclusive, expert rating system, with all evaluations completed in person by consultants in the field during the past 12 months, for privately owned parks. Plus, RVers enjoy detailed park listings including amenities, services, restrictions, camping rates, contact information, Good Sam Discount Locations, hundreds of dollars' worth of Camping World savings, pages of helpful RVing information, and much more! Editorial features cover Family Camping, RV travel articles and lifestyle tips, including RV Trips of a Lifetime and Snowbird Destinations. Packed with useful advice and recommendations for RVers that make life on the road such a great experience the 2017 Good Sam RV Travel & Savings Guide is a must-have travel resource for all RVers!

Customer Reviews

WE utilize this reference quite a bit during our RV travels. Having traveled extensively in our RV east of the Mississippi we are now starting our westward ventures and the latest Good Sam Guide is very much needed.

I have had several of these and one thing missing it the tabs that can be put on each state. I miss

having these as it makes it easier to use. Otherwise I would give it 5 stars

Good Sam seems to be losing place in the campground guide market. I purchased this, based on prior experience with Good Sam Travel Guides, and was disappointed in the lack of information available. There are many other travel guides out there better than this, and cheaper (look at AAA, for instance, especially if you are members). I am using the AAA guides and the Good Sam has become a doorstop. If you only have the Good Sam guide, you'd be OK, and my reason for 3 star and not lower.

I spend at least 4 months on the road every summer in our RV. This is the best book available for directing you to a large number of RV parks. It is not complete but it generally gives you a good selection of Parks. We have a large class A so we can not get into a lot of parks. This book gives you a good indication as to what you will find when you get to a park. My big concern is how big and commercial Good Sam has become. It really bothers me that the CEO has stated how he dislikes Class A coaches. I want to reduce the amount of money I pay into Good Sam because it has a CEO that hates RVers, but he loves our money.

If your not going to join : "Good Sam" just yet. If you do you get a book and better: internet up to the minute!

Already used it five times. Descriptions so far have been accurate and after getting a Good Sam RV membership, have already paid for the book with the savings. In addition, we also received a coupon for \$25 to apply toward another RV Good Sam site which will basically cover the cost of the membership so it is a win-win across the board. I would say unless you have an IQ below 75, how can you go wrong?

Bought this for my hubby and he loves it. He has been using this book to help us book some new campsites for this years adventures

I consider this the most complete and extensive print copy of campground reviews. While variability in the accuracy of the reviews is often present, this is still a very useful tool if one is out "road camping" for many miles and/or days. I'm satisfied with its' value.
