# Foundations Of Catholic Social Teaching: Living As A Disciple Of Christ (Encountering Jesus)

## Synopsis

"No one lives alone. No one sins alone. No one is saved alone," wrote Pope Benedict XVI, whose words resonate with today's teens, particularly because the prevalence of social media allows them to better see how their lives are interwoven with those around them. *Foundations of Catholic Social Teaching: Living as a Disciple of Christ* builds on those connections by helping teens find their place in the community of the faithful as they advocate for charity and justice in the world. The textbook, the second in the *Encountering Jesus* series released by Ave Maria Press, adheres to the USCCB guidelines for Elective Course C: Living as a Disciple of Jesus Christ. Organized around the seven principles of Catholic social teaching, *Foundations of Catholic Social Teaching* helps students gain a greater understanding of the roots of social teaching in the Church, its context in the Bible and the Catechism and real-life examples of charity and justice in action. Developed in collaboration with experts in theology and pedagogy *Foundations for Catholic Social Teaching* includes a number of new features as a part of a new, interactive design, including:

- Chapter Focus Questions:** Each chapter's main idea is posed as a question to the student to provide a broader context in which new ideas can be integrated and understood.
- Infographics:** A wide variety of visual and interactive designs throughout the text help students understand theological concepts in ways they will remember.
- Currents Events:** Each chapter opens with a story from the contemporary world that teens can relate to their own lives.
- Educational Photos:** Images throughout the text have been carefully chosen not only to illustrate the chapter but for teachers and students to use as educational tools.
- Note-Taking Graphic Organizers:** Designed to help students organize, summarize, and sequence the text, various types of organizers were customized for every section of the book.
- Section Assessments:** Each section includes pedagogically designed assessment questions with labels that show how the questions serve a variety of different learning styles.
- Online Resources:** As always, teachers can access a wide variety of online resources at the Ave Maria Press website, including videos, PowerPoints, handouts, crossword puzzles, reading guides, and tests.

Ave Maria Press has been in continuous business since 1865, when the visionary Holy Cross priest Edward Sorin, who had founded the University of Notre Dame twenty-three years earlier, started the Ave Maria magazine. Father Sorin's goal was to produce a magazine honoring Mary, focusing on Catholic families, and showcasing the best American Catholic writing. Despite discouragement from naysayers who didn't believe it could be done, Sorin launched his magazine. In a daring move for his era, he soon turned the reins over to a woman, Sister Angela Gilespie, a nurse veteran of the Civil War. The Ave Maria grew quickly, and by the turn of the twentieth century, it was the most popular English-language Catholic magazine in the world. During the 105-year run of the Ave Maria, the Press also published books and pamphlets, a program it began to develop more fully in the 1960s. When declining circulation forced the magazine to cease publication in 1970, book publishing was pushed into high gear. Over the years, Ave Maria Press has published such important Catholic authors as Joseph Champlin, Tom Corcoran, Thomas Green, Edward Hays, Lisa Hendey, Francis MacNutt, Thomas Merton, Henri Nouwen, Christine Valters Paintner, Michael Pennock, Joyce Rupp, Mother Teresa, Michael White, Robert Wicks, and Macrina Wiederkehr. Now established as a major Catholic book publisher and still under the ownership of the United States Province of the Congregation of Holy Cross, Ave Maria Press is home to Sorin Books, Forest of Peace, Christian Classics, and Spiritual Book Associates, a book club. It perpetuates Fr. Sorin's vision to honor Mary and provides an important outlet for good Catholic writing. Ave Maria is also recognized as a leader in publishing Catholic high school religion textbooks, parish resources, and books on prayer and spirituality.
