Corvette: Seven Generations Of American High Performance

Synopsis

Explore a complete history of America's original sports car. Through hundreds of rare and unpublished photos from GM's media and design archives, special gatefolds and in-depth analysis from noted Corvette historian Randy Leffingwell, *Corvette: Seven Generations of American High Performance* celebrates six-plus decades of America's sports car, covering the revolution and evolution of America's longest continuously produced nameplate, from Harley Earl's initial concept to the latest seventh-generation car—the 2014 Corvette Stingray. Officially licensed and created in cooperation with General Motors, *Corvette: Seven Generations of American High Performance* focuses on the Corvette's place in popular culture as well as its engineering and design success. This book offers something for everyone who has ever lusted after a 'Vette. From the inaugural 1953 Corvette to today's stunning Stingray, this book touches on all aspects of Chevrolet's iconic sports car: history, racing, period ads, posters, memorabilia, key designers such as Bill Mitchell, engineers such as the fabled Zora Arkus-Duntov, celebrity 'Vette fans, and more. No Corvette fan will want to miss out on this ultimate history of America's first and foremost sports car.

"Mr. Leffingwell's encyclopedic knowledge of the topic, and of the players, helps immensely here, in separating the seminal from the trivial and in conveying the information concisely.... a worthwhile addition." - The New York Times'well written and interesting, as well as nice to look at' 'one of the nicest and most comprehensive coffee table books on the subject' `definitive. everything you'd want to know.'"This book details well this saga in a lavish presentation, along with an equally well-researched text with all the details that an enthusiast could wish for." - Victory Lane "Place Corvette Sixty Years on your coffee table and it's bound to be a favorite page turner, but better yet prop it in your lap and turn the pages slowly and learn everything you've never known about the legendary two-seater." - lveho.com

David Newhardt is one of the best automobile photographers working today and has provided photography for best-selling Motorbooks titles Muscle: America's Legendary Performance Cars, Corvette: Fifty Years, Mustang: Forty Years, Mopar Muscle: Fifty Years, and Shelby Mustang: Racer for the Street.

The book has lots of cool statistics and pictures in it

This was a gift for my son, He recently bought a Corvette, 2008, just wishes it could have been the Sting Ray. Maybe the next time. Loves the Book and can't put it down. Just full of great pictures. I love it too. Fantastic Book. Dad

Lot of great pics.

Good!

I am a big fan of the Corvette and this is a great overview of it's history.

Purchased for a gift. Was well liked Book was in wonderful condition.

Great book, beautifully illustrated. This adds the C7 to Leffingwell's outstanding research on the C1-C6.

Awesome book
