Customer Reviews

This is a good guide on the subject. Though I dont know if there is a permanent cure available, this book offers some remedies to help cope with it.

I love it.

it was okp

its misleading it doesn't tell a cure.everything I have read I could google.

I bought this book because I care for a little girl who contracted herpes when she was born from the mother. This book has some great advice for using natural remedies to reduce the discomfort involved with this disease. If you know someone that suffers from this disease I recommend that you download this book. It cover all different form of Herpes and how to treat it.

I found the book to be very interesting. Covers lots of forms of herpes, including oral herpes. Includes great natural and homeopathic treatments. Great tips on how to avoid it. Lots of good info.

Simple book but contains enough information about how to cure herpes. It's so easy to understand and straight to the point so that everyone can start applying the methods after finish reading the book.

Wow, what a great book on the herpes. What it is, how it forms, notable symptoms, and finally a cure.Furthermore, this book was very insightful and informative. Also it was well written and well researched.I now understand what herpes really are and all the different types of herpes.This book helped me treat my herpes and stay herpes free.It also does a great job at providing useful information and practical tips when dealing with herpes.I proudly recommend this book to whoever suffers from herpes or would like to stay herpes free.
