David BuschÃ¢â‚¬â„¢s Nikon D5500 Guide To Digital SLR Photography

Synopsis

David Busch's Nikon D5500 Guide to Digital Photography is your all-in-one comprehensive resource and reference for the Nikon D5500 camera. This ultracompact and lightweight Nikon digital SLR has a swiveling touch screen LCD that makes taking photos or changing settings quick and easy. The D5500 includes built-in Wi-Fi, so you can use your iOS or Android device to control the camera or upload photos to your phone, tablet, or personal computer. The D5500 captures 24-megapixel still images and 1080p 60 fps high-definition movies with stereo sound, too. With this book in hand, you can fine-tune your camera skills as you explore the world of digital photography, develop your creativity, and take great photographs with your D5500.Filled with detailed how-to steps and full-color illustrations, David Busch's Nikon D5500 Guide to Digital Photography covers all the camera's features in depth, from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more, and relates each feature to specific photographic techniques and situations. Also included is the handy visual guide to the D5500, with close-up photos and descriptions of the camera's essential features and controls, including the versatile LCD touch screen. Learn when to use each option and, more importantly, when not to use them, by following the authorÃ¢â ¬â„¢s recommended settings for every menu entry. With best-selling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your cameraÃ¢â ¬â„¢s capabilities, whether you're shooting on the job, taking shots as an advanced enthusiast, or are just out for fun. Start building your knowledge and confidence, while bringing your vision to light with the Nikon D5500 today.

Customer Reviews

This is an excellent book for learning all about your new Nikon D5500! I have only read through a portion of the book, but I know the rest will help me make the most of my camera.

I found this book very helpful learning my new D5500. Great illustrations, advice and suggestions are useful and practical. Good resource for a new D5500 camera owner.

Very good guide. Easy to read and follow. Don't waste your time with manual, except in dealing with troubleshooting, warranty issues or contacting Nikon. This camera is excellent and the manual helps you get the most out of it.

This is a good book to read if you need some pointers on your camera. It describes the features and how to use them. I have yet to finish reading it, but the basic stuff I got from it so far come in handy in getting better shots.

A well laid out book on my new camera, much easier than reading the Nikon manual. Dave has a nice writing style that keeps this stuff interesting without putting you to sleep. Highly recommended if you really want to know everything about your camera and use it to it's full potential.

Clear and easy to read and find the items of interest. I intend to read it through, but so far have used it as an easy reference on specific topics not explained by Nikon.

We bought this as a gift, and the recipient likes it a lot. Great reference to thumb through while learning about the camera and photography in general.

This book has loads of information for the beginner and advanced photographer. It's highly

recommended!
