The Cocktail Club: A Year Of Recipes And Tips For Spirited Tasting Parties

Synopsis

With a little bit of history and a lot of flavor, *The Cocktail Club* is a guide for connecting with your friends over the best-tasting therapy around—cocktails! Using a format reminiscent of your favorite book club, Maureen Christian Petrosky highlights one specific spirit or drink type each month. Classic favorites like the Martini and the Old-Fashioned, as well as new sips like the Mason Jar Basil Pisco Sour and Blueberry Lavender Vodka Spritzer, will inspire novices and enthusiasts alike to build up their bar vocabulary and taste outside their comfort zone. The book also offers a delicious selection of hors d'oeuvres pairings like Grilled Figs with Prosciutto and Rosemary Lemon Bars. So whether you've been curious about absinthe rinses or want to bone up on your bitters, *The Cocktail Club* gives you the perfect excuse to pull out your shaker and dip into the art of at-home mixology.

Great interesting recipes including some standards with a twist. My husband and I enjoy trying new cocktails and so far have enjoyed many from the book. I also really like the suggested pairings with foods and can't wait to plan out our holiday get togethers!

Not only are all the recipes easy and delicious, the photos are beautiful! I have both this book and her previous book, the Wine Club, displayed on my bar cart. Happy hours have never been more fun!

This is a great book - if you are in a book club now, consider starting a cocktail club using this book! I had just moved to a new city and was welcomed into the beginning of a cocktail club. Now I recommend it to my girlfriends far and wide!

I did many recipes from the this book and they are really good.

Loved her book "wine club" and this is the same idea with a new twist so to speak! Gave it to friends far and wide, virtual cocktail club!

Gave this as a bridal shower gift to a couple who loves to make fun cocktails! Not sure how the recipes actually are but the images are great and makes a good add-on gift.

Amazing book really, great appetizers. I have used it as a resource for so many parties. The author is cute too.

Our neighborhood is really enjoying this book and the great time we are having learning and drinking! Highly recommend!
