High Force: A DCI Ryan Mystery (The DCI Ryan Mysteries Book 5)

Synopsis

FROM THE #1 INTERNATIONAL BESTSELLING AUTHOR OF HOLY ISLAND Hell has unleashed a demon and he's coming for you Detective Chief Inspector Ryan's worst nightmare has just become a reality. Notorious serial killer The Hacker has escaped prison and kidnapped one of his best detectives from her own home. His brutality is the stuff of legend Ryan lost his sister and nearly his own life bringing the man to justice first time around. Can Ryan do it again to save his friend? There's a nationwide manhunt underway but the trail has gone cold and fear spreads like a virus. Ryan and his team must find The Hacker before he takes another life but are they too late? The clock is ticking Murder and mystery are peppered with romance and humour in this fast-paced crime whodunit set amidst the spectacular Northumbrian landscape. Customer Reviews

The people in this book are beginning to feel like family, I went through every emotion from absolute terror to absolute joy. I could not put it down, I was hooked from the beginning. I am not too happy about the ending as it left me wondering if Kerr really is dead and gone or if he will be coming back for murder and torment. I am so looking forward to the next book in the series, hopefully it will be very soon.

I have enjoyed this series. Well written and grammatically correct throughout. Although not being from the country where the stories unfold, I have visited and lived in England. I thoroughly enjoy that country and how astute writers use the description of historical venues to advantage. Aside from being just a series of good murder mystery well written I was really impressed by the way the author caused me to really dislike Keir. Personally I think that ability, to draw the reader in, is the sign of a very good author. I hope to read more from LJ Ross.

The writings by LJ ROSS capture your attention from the first lines. This story continues from book 4 with the escape of a prolific serial killer and the hunt for him and his benefactors. I read this book in one day as I always have to do when reading LJ ROSS. Schedule a day off and settle in for a great read.

I have read and enjoyed all five books in this series. However, I would regard the books as telling a serialized story, where each book, except for No.5 was inconclusive, and I had to wait for the next book to find out what happens. I would definitely read this author again, but only if each book is a stand-alone story.

First let me say I really like this series. The other reviews do a fine job of lauding the writer's talent. Having said this, I found the interview Lowerson had with the distressed lady interesting. As he enters the room, the woman is described as without makeup. As the interview ends, her tears cause her mascara to run down her face. I love it.

Kept me on the edge throughout the book. Enjoyed the character development. The author does a good job of focusing on the different characters in each novel within the series. It is like a spotlight rotates on that person and we see them bloom under the hot light. Even the bad guys...find out the reason why the Hacker murders...you will be hanging on until the very end!

Hard book to put down as you want to know the outcome. Enjoyed all the characters in the continuing series. The bad guy in this book is truly a monster, and portrayed perfectly. Ryan & Anna and Frank & Denise deserve some happiness in future books.

I thoroughly enjoyed this mystery. The characters are well drawn and interesting. The plot was a good one. The depiction of the countryside was also well done.
