Very helpful in understanding what the purpose and function of a prophet is. Also helps to identify prophets and the level of prophetic anointing on a person's life.

This an excellent read for those who are called to operate in the prophetic ministry. Apostle Eckhardt does a wonderful job explaining this ministry in an easy to read format. I feel it answers the questions many of us have had while going even deeper to give information that makes us aware of this great ministry and it's importance in the church today. If you want to learn for real about the prophetic this is a must read. BE blessed and get the book.

This book was very informative, if you have ever had questions on how the prophetic operates this really breaks it down which included scriptures. I recommend this book to anyone who operates in the prophetic, but still has questions about the different types of prophetics gifts and how to operate decently and in order.

An informative book for those who like myself are unaware of the types and expectations of those who walk in the prophetic. The book is also easy to comprehend.

If you are a Prophet, have a prophetic gifting, don't understand prophets, or are leading a church, you NEED this book. This book is absolutely life changing. I owned it, read it, and Jesus made me give it to someone else, so I'm buying it again. It explains the office of a prophet, the prophetic anointing, and just how much these gifts are needed in the church as well as how to do it in an orderly manner. Absolutely life changing.

GOD IS REAL yes he is I am a living witness to that this book will change your life if you apply it's principles to your life and do the homework and use the tools that are laid out for you in the book it can and will change your life.

A book that teaches us how to listen to the voice of our God.
