Customer Reviews

This is great, especially for Bass Clef players! It's the genius of Miles, you don't need to know much else. The Material is sturdy and it's similar to a spiral binding. Great product, stop waiting to buy it and buy it.

Best used as a study tool if bass clef is your native tounge. Very helpful and entertaining.

Miles. What more can I say?

As Both an Electric and Upright player it more than met my expectations...A must Have !

Awesome to play along with the master!!!!
