The Secrets Of An Inspirational (In-Spirit) Life

Synopsis

On this six-CD set, Dr. Wayne W. Dyer reveals that inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desire. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences; it's inherent in our Divine birthright. As you listen to this live lecture, you'll learn how to live an in-spirit life. From a very personal viewpoint, Dr. Dyer offers a blueprint through the world of inspiration; your ultimate calling.

I've been following Mr. Dyer on and off for 35 years. And brother have I learned a lot. He has also introduced my soul to other brilliant writers - like Neville Goddard!!! I would without hesitation recommend either author with a clear heart and soul. Need I say more? I AM THAT I AM, Ms. Bobbie BearPS Mr. Dyer has a most soothing voice on his CD'S and is very charming, funny and informative on TV (public TV) and on his DVD's.

this cd has so many great quotes I started taking notes! I love all things Wayne Dyer anyway, but this is great. Informally informative, it makes my car ride to work smooth and inspiring. AHHH! Thank you Dr Dyer. My only complaint is the packaging this came in is Horrible... it fell apart within days and I had to buy blank Cd holders to replace the set in came in.

This was a very worthwhile purchase. Dr. Dyer clearly teaches how to live In-Spirit rather than limitations of fear and ego. I am recommending these CDs to friends, family, and clients. Thank you Dr. Dyer!

Ned's 3.5 stars. It's entertaining but Dyer's ego takes away from his message at times not the most inspirational message but a decent listen.

fast shipment, well packaged and in excellent condition, exactly as described, very pleased, highly recommended, A++

I have bought 3 CD sets, for personal use, as well as for gifts. Dr. Dyer is very inspiring and easy to relate to. The 1st 2 sets each had 1 CD that did not work, but I called Dr. Dyer's office/headquarters, and they replaced them without question.

Best CD I have ever listened to. Given it as gift often. It will change the way you view your life and the world.

I thought this was pretty good. I always love listening to him. Some repetition to other books and CD's though.
