Invitation To Public Speaking - National Geographic Edition

Synopsis

INVITATION TO PUBLIC SPEAKING was designed to provide you with solid public speaking skills that will serve you well. This text shows you the power and importance of public speaking in your life as well as in the community. This special National Geographic Learning edition includes dynamic and exciting stories and tips from young people who are committed to sharing their passion for conservation and learning, accompanied by spectacular National Geographic photographs. Speech-building help and examples of student speeches in every chapter help you understand the basic concepts so that you learn how to give successful speeches.

Customer Reviews

"This book is very practical. It really does take students on a step-by-step process that yields good speeches. I probably follow the textbook more closely than any of my colleagues and-not coincidentally-my students typically take the honors in the department's annual speaking contest." "This book, with its invitational approach, does remind students of the larger context of giving a speech (not just completing an assignment), which fits nicely with my goal of promoting civic engagement."

Cindy L. Griffin is a professor emerita of communication studies at Colorado State University. A proponent of civic engagement and civility in people's communication and their lives, she has taught public speaking; civility; gender and communication; communication, language, and thought;

contemporary theories of rhetoric; history of rhetorical theories; feminist theories of discourse; identity, voice, and agency; and graduate seminars in women's studies. Her research interests include developing the theory of invitational rhetoric, advancing theories that help communication scholars and students understand our complex identities, and exploring the relationships between civility, power, and rhetoric. Dr. Griffin is the author of INVITATION TO PUBLIC SPEAKING (Cengage, 2012) and INVITATION TO PUBLIC SPEAKING HANDBOOK (Cengage, 2011); coauthor of INVITATION TO HUMAN COMMUNICATION (with Jennifer Bone, 2013), FEMINIST RHETORICAL THEORIES (with Sonja K. Foss and Karen A. Foss, Waveland, 2006), and READINGS IN FEMINIST RHETORICAL THEORY (with Karen A. Foss and Sonja K. Foss, Waveland, 2004); and coeditor of STANDING IN THE INTERSECTIONS: FEMINIST VOICES, FEMINIST PRACTICES IN COMMUNICATION STUDIES (with Karma R. Chávez, SUNY Press, 2012). A former editor of WOMEN'S STUDIES IN COMMUNICATION (2006-2010), Dr. Griffin also has published articles and book chapters addressing identities, civilities, feminisms, and rhetorical and communication theories. She received her PhD from Indiana University.

Purchased and read this for an undergraduate level speech communications class. Very clear and concise writing, covers a lot of good communications concepts.

Was ok, book was a bit scratched, since was a rental I thought it was normal. Not all people take care of things as well as others do.

Just what we needed at a great price.

Great price

Very biased to democratic party ideas throughout the book. Very political. subtle hints to it everywhere, and this is coming from me who hates politics and hates even reading much about political news or even care for it. For me to notice this, It made me wonder if 'cengage learning' is funded by supporters of democratic party.
