Love this!! Goes with my Beautiful Word Bible! Colorful and easy to understand! Being with me whenever I travel! It's crazy that before I told God that I was bored and uninterested with the Bible, but He desire into my heart and this was one of the first books I bought to help me get back into reading the Bible on a daily basis! Praise God for his work and the writers of this devotional! Thank you so much!

Beautiful! Gave it as a gift and it was very well received.

This beautiful book is exactly what I was looking for.

Great book. Worth every penny.

While I love this devotional, it's beautifully colored and full of great scripture selections with meaningful devotions and prayers. I'm not thrilled with the choice of glossy paper & lined pages. I can tell you from experience that writing in this devotional will result in smears. And you really can't use pencil as it won't even write on the page, I think this is just an error in the interior design of the book and although it's nice to have a thicker glossy page it's wildly impractical for writing on or making notes in. I received this book free in return for an honest review.

Because of the grace and creativity of our Creator we can express our faith in a variety of ways. Not everyone enjoys writing. While it is encouraged to take notes during sermons, Bible studies, and personal quiet times, not everyone retains information that way the best. I encourage my daughters to use their church journals to write or draw pictures based on the sermon their daddy is preaching. They love this and I love seeing what they draw! There are times when their illustrations bear great insights for ones their age. The Beautiful Word Devotional is one way to help you creatively express while studying God's Word. I'm not personally into the drawing-inside-of-your-Bible craze. I'm somewhat artistic, but this has never appealed to me. Drawing what I'm learning in my faith, however, is appealing in many regards. It is a different way to engage with the Holy Spirit and if we believe all creativity comes from God, then this is a lovely way to express oneself. This particular devotional correlates with a Bible by the same title. Just as with the Bible there is room for journaling or drawing on the sides of each page. I really like this option. The devotions are short and simple, focusing on one or two verses at a time. This is not what I would use for my only source for time with God, but on the days when I'm rushed or unable to spend my normal time this is an excellent option. While I don't draw in my Bible, the idea of artistically showing what God is teaching me is a fresh thought. So often we read through Scripture hurriedly. Using a devotion like this can be beneficial to force us to slow down and really ponder what we are reading. As with many devotions, I would like there to be options for further reading. While I definitely see value in focusing on a short passage for the devotion, I like when I have handy references to see what else the Word has to say on the same topic.

The Beautiful Word 365 Devotional will stir the heart, inspire the soul, and delight the eyes. Being an artist and a fan of simple designs inspired by shapes, natures, and colors I adore this book. It pairs

beautifully with the Bible in the same line but stands well enough on its own that you don't need it. The devotions start in January and end in December. There is no year date so this book can be used over and over again or passed along if you don't personalize the front cover with a name. Each devotion takes up a single page. The two-page spread features an inspired illustrated Bible scripture from one of the two devotions and an adequately sized section to journal on the opposite page. There are 182 colored illustrated verses in all. Each of the devotions features a short prayer to the Lord to end it. I found the devotional to be relatable and perfect for those of any age. It takes me about five minutes or less to read through and then a bit more time is given for reflection. In a fast paced world where so much is required of us, it's nice to have a devotional-length that can be read in the morning hours before we fully start our days. I like it's rooted in scripture taken from the NIV. This book provides encouragement, challenges, reflection, thankfulness, hope, grace, contentment, and much more to carry one through the entirety of a year. This devotional would make a lovely gift for teens, young adults and older. It's available currently in hardcover and in digital format.\* I was provided a complimentary copy of this book by the BookLook blogger review program in exchange for an honest review.\*
