Bridge: 25 Ways To Be A Better Defender

Synopsis

Defence is the hardest part of playing bridge, but that doesn't mean that it's impossible to learn. The authors explain how to make a plan as a defender: how to work out from the auction and play what declarer probably has, and which of the strategies available to defenders is likely to be successful.

Barbara Seagram (from Toronto, Canada) is one of North America's leading bridge teachers. Her 25 Bridge Conventions you should Know has sold almost 60,000 copies in English alone. David Bird (from Southampton, England) is one of the world's best-known bridge writers, with more than 70 books to his credit.

Very disappointed when I received bill. I would not have ordered if I had known I would be billed in us dollars. This book is not worth the price I had to pay after the exchange.

Read and re-read it to be a better defender. Great addition to Seagram's first 2 books on "25 Conventions You Should Know" and "25 More Conventions"!

Her books are great

Excellent, well-organized book with good information about how to be a better defense player at the bridge table. Easy to read and follow her advice.

Half the game is defense and this is a wonderful help book by Barbara Seagram. Plain and easy to understand!

Awesome. This book is concise & helps one to be a better bridge player.

if only these work! Bridge is a great game, it will be terrific to improve.

I just loved this book. I am an intermediate but very enthused player who has taught ACBL's Defense Class. So I thought this would just be an easy review - but it is much more. It has definitely helped me move up a level.
