Robin Landa holds the title of Distinguished Professor in the Robert Busch School of Design at Kean University of New Jersey. She is the author of over twenty published books about graphic design, branding, advertising, drawing, and creativity.

Great Book, I enjoy the prompts

Finally, my book is with me. 140 days to delivery! But, it's all ok.

I have a beginner's knowledge of branding of which I am seeking to expand, and this book has

helped teach me the fundamentals of branding clearly and confidently. Through this book, I've been teaching myself all about the foundations and how to brand myself and my business distinctively and successfully. I highly recommend this book to anyone, it is a must have for a library! Thank you to Robin Landa, your book has helped me immensely and I've become more confident as a young designer because of it.

This book is clearly written, well-constructed, beautifully designed, pragmatic but eminently readable, and more than delivers what it promises. Although written for the design community, it has practical applications for anyone who is seeking to differentiate himself or herself in the increasingly competitive job market.
