## **Synopsis**

Light on Law for Yoga Studios is for yoga studios, entrepreneurs and other wellness businesses. Our book discusses the key legal issues you need to know such as: protecting yourself against liability, independent contractors and employees, starting and running your business, legal entities, the key agreements, selling products and liability, branding and trademarks, content and copyright, websites and social media, ethics and taxes. It is full of useful resources and guidance to help you navigate the many legal and business issues you will encounter in your business. The book has been beautifully designed and is in full color. It contains 37 essential legal forms written specifically for yoga and other wellness businesses. These forms contain instructions so that you can prepare your own agreements without having to hire lawyers.

## **Customer Reviews**

This book is fabulous - a must read for anyone starting a yoga business. The form templates alone are well worth the price of the book - and the knowledge inside is priceless!

Stacked full of legal advice and example forms. I wish I had this book when I was putting our studio's forms together.
