Batman: The Golden Age Vol. 2

Synopsis

American popular culture has produced few heroic figures as famous and enduring as that of the Batman. The dark, mysterious hero who debuted in 1939's DETECTIVE COMICS #27 as the lone "Bat-man" quickly grew into the legend of the Caped Crusader. After his landmark debut and origin story, the Dark Knight was given many seminal elements including his partner in crime-fighting, Robin, the Boy Wonder, and such adversaries as the Joker, the Penguin and Scarecrow. This second volume of BATMAN: THE GOLDEN AGE collects the Dark Knight Detective's early adventures from BATMAN #4-7, DETECTIVE COMICS #46-56, WORLD'S BEST COMICS #1 and WORLD'S FINEST COMICS #2-3.

Customer Reviews

William Finger was born on February 8, 1914. He met cartoonist Bob Kane at a party in 1938, and soon after they were collaborating on several adventure strips. Within a year, Batman appeared. Finger's fondness for pulp fiction and movies influenced his plots and writing style for comic books. He worked on many other DC characters and titles, scripted some of the 1940s daily and Sunday Batman and Robin newspaper strip continuities, and wrote for Quality, Fawcett and Timely. Finger's television credits include 77 Sunset Strip, The Roaring Twenties and Hawaiian Eye during the late 1950s and early 1960s. His efforts in the superhero genre also appeared on TV in the 1960s, including material for the animated New Adventures of Superman plus a two-part Clock King episode of the 1966 Batman series. Finger died in New York City on January 24, 1974. He was

posthumously inducted into the Eisner Awards Hall of Fame in 1999.

Best for the Price..its all here and the Soft cover makes it easier to handle and to read. Saw the Large one in Barnes and Noble.. its only good for keeping on the shelf. too thick for reading and quite fragile. Go with this versions in the end you will enjoy your read and its spot on your shelf

You can't go wrong with the Golden Age Batman
