Garden Pals
Amigurumi Crochet Pattern

by Sayjai Thawornsupacharoen
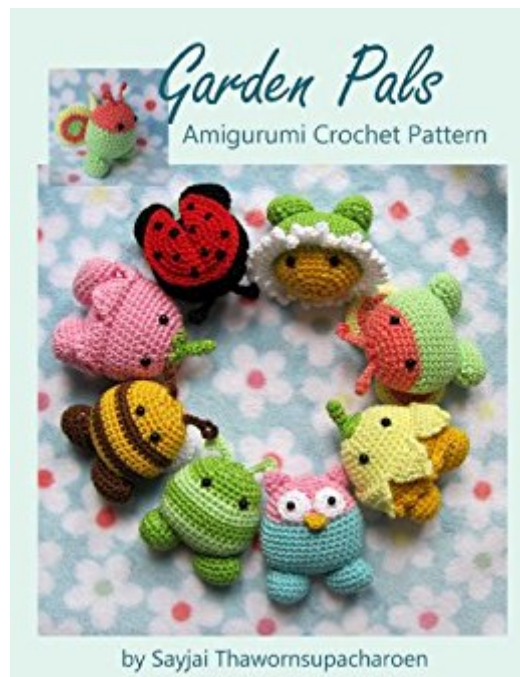

Synopsis

Amigurumi is a Japanese word for little stuffed animals. They are usually made from crocheted yarn and have an oversized head. The Japanese word "Ami" means crocheted, and "nuigurumi" means stuffed doll.This is a very easy crochet pattern and great for beginners.The size of the Doll depends on the size of the crochet hook, thickness of yarn and how you stuff them; a bigger hook and thicker yarn makes a bigger doll. A doll stuffed tightly is bigger than one stuffed loosely.Size The dolls are 3 inches/ 7.5 cm high (excluding ears).This crochet pattern is written with U.S.A. crochet terms:ch = chain,sc = single crochet (UK : dc = double crochet),st = stitch,sl = slip,rnd = round,tog = together.Disclaimers:- The finished dolls are not suitable for children under 3 years because of loose parts (the eyes).- This is a Kindle pattern. You can read it on your Kindle, tablet computer, pc, notebook or smartphone. But Kindle patterns cannot be printed out.

Customer Reviews

These turn out so cute! I have used Sayjai's patterns before and I have never been disappointed.

The instructions are easy to follow and the patterns can be easily adapted with color and size to any need. I've made these for baby gifts with rattles and squeakers in them. I'm very, very happy with my purchase.

It's an adorable bunch of little creatures. Fun to make and give to special little people!

Easy to follow directions and so cute. Cannot wait to finish them and share.

I really liked this book: It gives clear and easy-to-follow instructions and the designs are pretty darn cute!I followed the overall design and then added my own details to make a Bat Amigurumi for my best friend. The only drawback I could find is in the tiny details which means no one foot or ear ever turns out the same as the next. Kind of annoying when they're supposed to match ...

Again this author makes these easy, they are among the animals I'm giving the smaller kids for their Christmas. Having the other books I'm putting several of the animals together in a crochet drawstring pouch for their gifts.

Bought this pattern book for my new granddaughter. Patterns are written very well, easy to follow.

I love amigurumi. Thank you so much for this book. Patterns are hard to find.

These are great for a beginner amigurumi maker just starting out... or an experienced one to modify! Very cute and simple pattern allows for imaginative color choices and combinations!
