Customer Reviews

My husband is the Pastor of our church. He had one of these in paperback form. While looking for something for a gift for him i saw this and it looked very nice and will hold up much better than his old paperback one. Definitely an excellent buy!

It was in good condition.

This is a hard to find book. It is a great resource for any library.Thanks.

Great!

Great Price

This is a great manual for new members as well well as old members who have concerns about the proper way a church should operate.

The book is the book I was looking for, there is other books but not as good. .So thank you

Every minister / pastor that has NOT been formally trained should invest in this manual. Every minister /pastor that HAS BEEN formally trained should have a copy with him at all times , what a wonderful peice of work.
