## Customer Reviews

"Good news from the IRS... you, too, can be an LLC. The advantage: profits are taxed just once, like a partnership, while personal liability is limited, like a corporation. [And now you can do it yourself with] Nolo's book on LLCs." *Business Week* Entrepreneurs can take advantage of the unique tax and legal benefits of the LLC for less than the cost of 10 minutes of their own lawyer's time. *Money Maker's Monthly* In typical straight forward Nolo fashion, this book explains everything from choosing a name to maintaining the LLC's legal and tax status. *Orange County Register*

Here is a succinct yet comprehensive guide to learning about LLCs, with step-by-step instructions to filling out the articles of organization and operating agreement — the two key pieces of forming an LLC. This book includes relevant examples that make it easy to read and understand.

had a lot specific information - not much of it pertained to my situation

Excellent! I am quite sure I already submitted Seller Feedback for these purchases ...

This was very helpful, and provided me with all the examples I needed. I applied for my certificate of organization with the state, wrote my operating agreement, applied for my tax number and opened the business bank account in short order.

Within the first 5 pages of the book, I was able to determine that there was no benefit to me to go LLC ... The cost of the book saved me \$300 in LLC filing cost using Nolo's online service for CA... winning!

Excellent. Thanks.

Book arrived as advertised
