The Puppy That No One Wanted

Synopsis

Bestselling author Anthony DeStefano teams up once again with renowned illustrator Richard Cowdrey to tell the tale of a scraggly, smelly little puppy who never loses hope that one day he will find a home of his own with a family to love. One rainy night, his dream comes true in an unexpected way when he meets a very special family. Rich in biblical imagery, this simple story of an adorable lonely puppy reveals the profound truth that all of us are really outcasts in life and can only find our true home in God.

Anthony DeStefano is a member of the board of directors of Priests for Life and Rachel's Vineyard. He has appeared on many national television and radio programs, including Fox's America's Newsroom, Fox and Friends, CNN, EWTN, the 700 Club, the Praise the Lord network, Focus on the Family Radio, and Al Kresta. He is the author of five books for adults, including A Travel Guide to Life: Transforming Yourself from Head to Soul, which served as the basis for the EWTN television series of the same name. Anthony has written several bestselling children's books, including This Little Prayer of Mine, Little Star, The Donkey That No One Could Ride, A Travel Guide to Heaven for Kids, and The Sheep That No One Could Find. Richard Cowdrey is well-known for illustrating many beautiful children's books,

including New York Times bestsellers *Bad Dog, Marley!* and *Marley Goes to School*. Over the past twenty-five years he has worked with many publishers including Harper Collins, Scholastic Inc., Simon & Schuster, Zondervan, Random House, Harcourt, Penguin, Workman Publishing, and Harvest House. Richard's love for family and nature overflows into his illustrations which are enjoyed by children around the world. The artist and his wife live in Ohio and have four grown children and five grandchildren.

I liked it. But - it's not an absolute MUST READ. Most of Anthony DeStefano's books are books children should not live without. I LOVE his books and his writing style. This one is good - but it's just not in the same category as his others. The *Donkey No One Could Ride* and *The Lamb* books are books every child should have, though.

I bought this book for our granddaughter because the puppy looked like our dog, and the story was sweet. The part where the puppy gathers up a ton of food and gives every bit to the other dogs while he continues to starve was a little over-the-top, but small children might not object to the super-good (or extremely low-self-esteem) doggie character. We also bought "The Sheep That No One Could Find," by the same author, which had a Scripture and a spiritual application at the end, and thought this book might have concluded with a Scripture, too. The story of the puppy's finding a home with Jesus begged for (no pun intended) a Scripture for the children to see themselves as finding a "home" with Him, as well.

This book was purchased to add to a small library for children's religious classes. I love it, and the individual teachers who used it, were very happy. Their classes enjoyed and learned from its story.

Bought it for a church friend's Granddaughter who wants it read & reread.

A bit disappointed in this one. I have the sheep and the donkey books and my kids love them. This one has great imagery just not impressed with the story itself.

wonderful story, love it for my religious education classes.

My little one is a dog lover and this was a great message for her!

A lovely story that will grab the heart of a child .Beautifully illustrated.
