Diana Cooper is a therapist, healer, and author of several books including *A Little Light on Angels*, *A Little Light on Ascension*, and *Golden Footsteps*. During a crisis in her life fifteen years ago she was taken on an incredible inner journey of the Universe by an angelic being. She has since become interested in spirit guides learning how to talk to hers and, as she becomes more clairvoyant, actually see them. She developed her "Healing & Psychic Development" workshop and through this

and her other workshops and therapy she has helped countless people find their life mission, to fulfil their potential and empower their lives. She now constantly follows her inner guidance and lives what she believes.
