Acting For Young Actors: The Ultimate Teen Guide

Synopsis

Do you know a teen that's been bitten by the acting bug? Here's just the book they need! Acting for Young Actors, aimed at teens and tweens, lets kids hone their skills and develop their craft. It begins with the five W's: WHO am I? WHAT do I want? WHY do I want it? WHERE am I? WHEN does this event take place? Sounds basic - but many young child actors are told simply to "get up there and act." This book explores each of these questions, using helpful exercises to allow young actors to work through problems of character identity and motivation. With comprehensive chapters on auditioning, rehearsal, and improvisation, plus a primer on how young actors can break into film, theater, and television, Acting for Young Actors is every kid's ticket to the big time.

Bought for an aspiring teen actor who found the book very informative.

My daughter's drama teacher uses this book as a part of their curriculum. My daughter has learned some great techniques that have improved her acting skills.

GREAT ITEM

Perfect book for young, beginning actors. I gave it to an 11 year old, and she loved it. She read it with an adult, who was very helpful to check for comprehension and explain the areas not understood.

My son is reading this and getting great tips!

Good instruction directly to teen actors.

Bought this book for a student who participated in drama through high school . I taught drama for ten years and this book has some great practical ideas and suggestions for those I interested in acting after high school.

Perfect gift for my 15 year old nephew, an aspiring actor!
