A Survival Guide For Landlocked Mermaids

Synopsis

In *A Survival Guide for Landlocked Mermaids*, artist Margot Datz sees the she-nymph within, struggling to emerge, and in a swirl of whimsical and witty wisdom, lovingly offers tips for today's world of dating, mating, and beyond. The landlocked mermaid is a symbol of the contemporary woman, trapped in a paradoxical dilemma of being part worldly and domesticated, part untamable and intuitive. Margot's beautifully painted, contemporary mermaids are caught in the nets of their own comical dilemmas, circling the heart's fishbowl of romantic longings and in the murky depths of deep emotion. Whether it's the value of cultivating an inner water garden or coping with crow's feet and fish tails, Margot offers advice and an enchanting way of hydrating your weary mermaid soul. Coy, sweetly mischievous, and a pinch sagacious, this is a book that, like a good glass of wine, can be enjoyed multiple times, sipped on, or downed in one reading.

Customer Reviews

I wasn't sure if I could relate to this book..even though I WAS a mermaid years ago. It was a time

here in the South when underwater shows with mermaids was popular. I enjoyed each and every page and found myself drifting back to a time of fantasy and not a care in the world. The author's writing and paintings were awesome.

Absolutely magical book, destined to be beloved by the mermaid in your life - and truth be told, in this day in age many women find themselves wondering whether they're secretly a mermaid (perhaps spurred in that direction by Tori Amos, in her *Silent All These Years*, perhaps by Ariel; you decide). I'd actually received this as a gift, and turned around and purchased several copies to give to others. Fun little work of art.

This guide is wonderful. Humorous and speaks volumes. A must have for Mermaids and mermaid lovers. The pictures were great, too; they really helped to get the point across.

WOW! For a book that I thought was going to be cutesy and flippant, it turned out to be very insightful. It seems this book was written for me. I've always wondered why I seem different than everyone else, I'm a mermaid. Wonderfully written and witty. Brought tears to my eyes. I do not belong in a fishbowl.

This was a coffee table book at a beach rental. Liked it so much bought 3 - one for me and each of my two grown daughters (swim-team kids). Every woman needs a copy to revisit and renew! Magically done in terms of content and presentation.

My granddaughter raves about this book! She said the written material is helpful and true. A must buy for all mermaids.

Great little book for mermaids everywhere. I gave it as a gift to a young woman away from her home near the sea. She told me it is her new bible, and she cried when she read it.

Whimsical and amusing this book is a delight! With gorgeous illustrations and sound advice for suffering mermaids it is essential reading for all landlocked mermaids everywhere. All true mermaids stuck on land will treasure this beautiful guide book until they can return to the sea.
