Mountain Bike Adventures In Washington's North Cascades And Olympics

Synopsis

* 60 mountain biking routes* Rating level identifies the most challenging routes * 90 photos and 60 detailed area maps
This mountain biking guidebook for the North Cascades and Olympics offers routes from I-90 north to the Canadian border, as well as trails in the Olympic Mountains. These regions offer mountain bikers of all levels the choice of leisurely cruises on abandoned railroad grades, challenging tours of rarely used logging roads, and much more. With 60 routes to choose from, you'll have information on skill level required, distance, elevation gain, mileage, and best time of year to ride. --This text refers to an alternate Paperback edition.

Customer Reviews

TOM KIRKENDALL has published a wide variety of books for Mountaineers Books on topics such as long distance bicycling, outdoor family activities and hiking in the Alps. He is also a talented photographer. --This text refers to an alternate Paperback edition.

for when the internet is vague or to take where there is no internet--this works great. we use it for bikejor.

Be careful if you buy this book. It is 10 years old and many of the trails have been closed. If you are looking for a place to start in Washington it covers almost the entire state.
