Adventure Motorcycling Handbook: A Route & Planning Guide (Trailblazer)

Synopsis

25th anniversary edition of the Adventure Motorcycling Handbook. The first thing we did was buy Chris Scott's 'Adventure Motorcycling Handbook' (Ewan McGregor, The Long Way Round) Does for adventure riding books what Saving Private Ryan does for war movies. (Motorcycle Consumer News (USA)) A gritty, honest, hard won review of what actually works and what you really need to ride a motorcycle overland. (Overland International (USA)) An absolute must for those who are thinking about seeing the world on their bike. (Inside Motorcycles (Canada)) Vital reading for anyone contemplating an overland adventure. (Motorcycle Mojo (USA)) Whether you're just dreaming of an adventure, or you've already started planning, you must read this book ... Chris Scott's a veteran of serious travel. (Bike Magazine (UK)) As essential as a set of tyre levers, and as dependable as the sunshine in the Sahara. Highly recommended. (Trail Bike Magazine (UK)) Invaluable. (The Times (UK))

Chris Scott is a veteran travel guide author, adventurer and tour leader. He's made films of his rides in the Yukon (Call of the Wild), Desert Riders in the central Sahara (featured on National Geographic Channel) and Gorge Riders in north-western Australia.

I heard a lot of recommendations for this book but thought it had to be a lot of hype. I was wrong. Immediately upon opening you can tell this book has some weight to it. The quality is immediately noticeable. The cover is nice and the pages are done in that nice texture that crisps up the pictures and text to be super clear. The book is jam packed with information and is more of a resource book than anything else. I am going to use a lot of Post-Its as I am reading for sure. If you are toying with the idea of getting into Adventure Biking this is a must. You may find it becomes a passion or you may find all your allusions swept away with the truth contained within. Either way, you can't do much better for sub \$20.

Got the latest edition and already own the previous one. Great small practical updates. My older edition will be a gift to a friend.

Must read. You won't believe what you did not think of before you make any attempt to travel within your own country or abroad.

ok

Very nice color journal of cross country travel. The best book on adventure riding that I've read.

Great read with lots of great advice and suggestions.

I thought I knew a lot until I read this book. Fills in the many blanks.

Great book, quick read, good first time info for ADV trips.
