Lauren Conrad, author of the New York Times bestsellers *L.A. Candy* and *Sweet Little Lies*; *Sugar and Spice* and *Lauren Conrad Style* –“Fashion is such a big part of my life. But growing up in Laguna, I always dressed very plain – just tanks, jeans, and flip-flops. *Seventeen's Ultimate Guide to Style* is exactly the kind of book I would have loved to have back

then there's so much good style advice and so many great outfit ideas! Miranda Cosgrove "I love to mix styles some days I like to wear edgier things, some days I wear really girly stuff. That's why Seventeen Ultimate Guide to Style is so great there's a fashion vibe in here for everyone! Tyra Banks "I started out as a model in Seventeen! I love this book because I think it's so important to have your own sense of style-and to celebrate your beauty inside and out!" Kirkus Reviews, April 15, 2011 A wealth of attractively-packaged information for fashion-conscious girls with some money to spend. (Nonfiction. 12-18) Emili Vesilind, Los Angeles Times All The Rage blog "we sort of wish we'd had a guide even half as helpful when we were style neophytes. NY Style Editor "Wowza, Seventeen mag's new book, Ultimate Guide to Style, is FAB! Probably one of the better style books to be released lately. Ann Shoket was named editor-in-chief of Seventeen magazine in January 2007. Under her helm, the fashion and beauty icon publication for teen girls continues to represent an important rite of passage, helping more than 13 million readers grow up to be confident, self-assured young women. The magazine is the largest teen magazine and number one on newsstands, and its website is the number one teen magazine site. Shoket has grown the brand beyond the pages of the magazine so that teen girls can be a part of the Seventeen universe wherever they are: on the web, in print, on partner sites, social networking platforms, and on Seventeen Fashion Finder, the recently launched iPhone application.

I really like this book. It's a compilation of different styles, for different people that can guide you to find your look(s). As I said before it's something that's simple but that people can try everywhere, even if you're under a budget. Also, instead of buying for example an over the top price blouse, you can find a similar piece of clothing that instead, because there always lots of places who offer the same over the top blouse for less money, or a similar one. And it's up to you to make it work! So I definitely recommend this book, along with Lauren Conrad's books (which are about beauty and fashion, and are good too). I only wish the book was longer!

This is a fun book with lots of great photos. I like that it is organized by style type (classic, girly,

boho, etc.) so that you can zero-in on what you like. It is targeted at teenagers and women in their early twenties, but I think it is fun for anyone interested in fashion.

This book is really helpful in determining what style clothing works best for you. It also helps when putting different pieces of clothes together to get a good looking outfit.

Great book really helps with the combination of clothing. I recommend it for younger people. Maybe pre teens or teens

This book is really fun to look through and has a lot of amazing fashion. I found it was most helpful as a reference guide to find a style unique to me, not just trying to copy the types of looks they categorize.

Another fun gift book for teenage girls.

This was perfect for my grand daughter who'll be going from uniforms to real clothes in collage.

My daughter is having fun reading this! It is just what she wanted. I was thrilled with how quickly it arrived!
