Customer Reviews

"The Chicago Food Encyclopedia is a treat for anyone who loves Chicago and loves food!"--Richard Melman, Founder and Chairman, Lettuce Entertain You Enterprises, Inc. "That Chicago has developed a strong connection to small Midwest farms is perhaps its most undervalued asset. It's this connection we have to the land that has allowed the city's vibrant culinary community to establish itself on the international stage. This authoritative encyclopedia brings us closer to our city's culinary past, present and future. In exhaustive fashion, it offers a story, and I've always said food with a story always tastes better. This is ours."--Rick Bayless
