The Least You Should Know About English: Writing Skills, Form A, 6th Edition

Synopsis

This best-selling workbook for sentence-level developmental writing courses covers the essentials of sentence structure, punctuation, mechanics, and the writing of simple papers. Simple terms are used to present the essentials of English, so students can gain confidence as they learn. The straightforward organization, rule plus exercise, makes it easier for students to work on their own.

Customer Reviews

This book was recommended to me by my Public Speaking professor, and it completely changed my writing skills. Before using this book, I used to do poorly on my college papers due to grammatical errors. By the end of my undergraduate studies, I received perfect scores on most of my papers. I even had one nursing professor leave me a voice mail on how impressed she was with one particularly important assignment. I highly recommend this book.

EXCELLENT!! Very simple, yet comprehensive. So glad I got it! Thanks!!

VERY INSIGHTFUL

Everyone should have this book if for just a basic guideline.

Excellent

Another purchase for my wife and she loves it.

Good book with useful information. A little pricey.

This is a good book to add to my collection. It was delivered in a good timely fashion and is in good shape. This is a book that can really help you grasp the basics of English grammar.
